Unlocking the wells
of revival in Wales

5th July 2023

Bethesda
Llangefni

Lunch at Llanfair PG
(not included in price)

Bethesda

Our main destination for this tour is a small town in the heart of Snowdonia. Before the revival arrived, the town was in turmoil, families turned against each other, with a bitter dispute amongst the miners.

According to the WellDigger website, "*Members of the same family who have not spoken to each other for two years now assemble daily in each other's houses as of old. The normal order of things has already been more fully restored than a fortnight ago would have been deemed possible in an- other ten years' time.*" (Well Digger, n.d.)

You will hear the amazing story of J.T.Job, who – despite desperate personal circumstances, heartache and loss, ministered faithfully to his flock for many years.

Other Locations:

- ❖ Capel Cildwrn, Llangefni.
- ❖ Lunch at Pringles at Llanfairpwllgwyngyllgogerychwyrndrobw Illantysiliogogogoch – affectionally, or more easily, known as LlanfairPG.

(Please note that lunch is not included in the price.)
